

The Saint Johns N Club

Fellow United States Power Squadron member:

As secretary for the St Johns N Club, I would like you to join our organization. Once you have attained the grade (JN or N) and thus are eligible to join the club. I wish to extend an invitation to join this unique organization, at that point. I have listed the goals of the organization. It was formed in 1968. We meet twice annually on the Sunday following the District 23 Conferences.

The purpose of the N Club shall be:

- 1. To encourage squadron members to acquire the grade of N and a full certificate.**
- 2. To assist in Squadron's JN and N courses.**
- 3. To further develop the skill of existing Ns.**
- 4. To foster social camaraderie among its members.**

I have enclosed an application which you may complete and mail to me:

You may also include the first year's dues of \$8.00 made payable to the St Johns N Club.

Please join us for breakfast, a presentation, and a time of fraternity promoting celestial navigational skills. We are all looking forward in seeing you at the next meeting !

Best regards,,

**Timothy Henke
Secretary, St Johns N Club**

**Return completed application USPS @triplehurricane.com
You will be contacted regarding dues collection**
